## Work Experience

KOCELA LIMITED

SEPTEMBER 2023-NOVEMBER 2023

SOFTWARE ENGINEER INTERN

### **Android System Development for News App:**

Built a robust Android system for a news application.

Implemented API calls to seamlessly retrieve and display news content.

### **UI/UX Transformation:**

Successfully translated UI/UX designs into functional code.

Added essential functionalities to enhance user experience.

### **iOS Development for News App:**

Contributed to the development of an iOS version for the news app.

Ensured consistency in design and functionality across different platforms.

### **Customer-Centric Mobile App Design:**

Applied a customer-centric approach by understanding user needs in revamping NBK app

Designed and developed mobile applications tailored to meet customer requirements.

### **Team Collaboration:**

Collaborated effectively with fellow interns in a team environment.

Contributed to a positive and collaborative work culture.

### **Backend Development and Database Management:**

Took part in backend development processes.

Developed a comprehensive understanding of system architecture, flowcharts and Sequence

Wrote PHP scripts and tested APIs in Postman, utilizing a MySQL database.

### **Frontend Development:**

Played a key role in developing an activation tool and transactions monitoring tools projects.

Participated in design and frontend development with Java play framework.

HUDUMA CENTER CITY SQUARE

JANUARY 2021-APRIL2021

ICT INTERN

**Troubleshooting and Network Connectivity:**

Applied troubleshooting skills to address system issues promptly.

Identified and resolved network connectivity issues to ensure seamless operations.

**ICT Support:**

Provided comprehensive ICT support to address a range of technical challenges.

Assisted in maintaining and optimizing ICT infrastructure for optimal performance.

**Guidance on Appointment System:**

Offered guidance to customers on navigating the appointment system.

Facilitated the generation of appointment numbers to streamline the process.

**Customer Assistance:**

Assisted customers in resolving ICT-related queries and concerns.

Ensured a positive customer experience through effective support.

**personal skills**

- Team player
- Good problem-solver with an ability to work well as part of a team, self-confident and able to work with minimal supervision. I value integrity and honesty. I have the ability to endure ambiguity and uncertainty.
- Excellent interpersonal, communication, leadership, analytical and organization skills.
